Historical Overview**

1902-2016

(11th Printing)

The following information is a historical overview of the Board of Custodians, with additional historical facts concerning the Certified Lecturer Program. While some of the information in this document dates back as early as 1836, the majority of this overview is focused on the beginning of the Board starting with the first resolution introducing its inception in 1902 and the start of the Certified Lecturer Program as we know it today. The first part of this overview focuses on the beginnings of the Board of Custodians. The Board of Custodians officially began with approval by the Grand Lodge of Ancient Free and Accepted Masons of North Carolina at its Annual Communication on January 15, 1903. The information contained within the contents of this overview was gathered from the many reports and various other sources of information contained in the Annual Proceedings of The Grand Lodge of North Carolina from 1868 through 2007.

Prior to 1902, several qualified Lecturers oversaw the Work and Ritual of Freemasonry. In researching information prior to 1900, there was insufficient clarity as to who and when Lecturers were commissioned. Some years it was quite evident, while other years made no mention of Lecturers or specific appointments. Some of the more interesting facts noted during this time period were as follows; it was suggested as early as 1838 that the state be divided into seven districts and a Grand Lecturer appointed to each. No names were listed as to who the appointments were. Further research in 2012 indicates the first Lecturers were appointed in 1818.

In researching information from the 1932 Proceedings of the Grand Lodge of North Carolina it was shown that Most Worshipful Levi L. Stevenson served as Grand Master of Virginia from 1936-37 but also served as a Grand Lecturer for the Grand Lodge of North Carolina from 1836 to his death in 1873. It also listed him as Grand Lecturer of Virginia during 1828 to 1835 and again from 1845 until 1873. The Stevenson work was the ritual work originally adopted in 1849 and used by our Grand Jurisdiction until our first OSW was established in 1942. His work is mentioned eighteen times within the various proceedings and was challenged seven times but always readopted. His work is derived from the Thomas Smith Webb form which is practiced in fifty grand jurisdictions as of 2001 and was officially adopted by sixteen jurisdictions at the 1843 Baltimore Convention. Additional information on Most Worshipful Levi L. Stevenson can be found in the September 8, 1931 edition of NOCALORE (North Carolina Lodge of Research).

Another early indication was the appointment of Reverend Jacob Frieze as the General Grand Lecturer with his appointment referenced in the 1843 proceedings of the Grand Lodge. Beginning in July 1868, Grand Master Robert B. Vance commissioned E. J. Bowen as Grand Lecturer. Brother Bowen instructed B. W. Hatcher, J. B. Person, and J. S. Michard in the ritual work. Each was required to pass a proficiency exam in front of Past Grand Master R.W. Best. Benjamin W. Hatcher later became the main Grand Lecturer and held a Lecturer position for 38 consecutive years until his death in 1907. He was the first single statewide Grand Lecturer clearly listed under Appointed Officers in the Proceedings of the Grand Lodge of 1897; the year

Frances M. Moye was Grand Master. As indicated above, others were mentioned in various forms but not always under the list of official appointments.

During that same year of 1868, the Grand Lodge delegates also re-adopted the “Stevenson” work as the official Work. Brother Stevenson was present at the meeting, then eighty-one years of age, and exemplified the Work but did so in such a manner that it was not satisfactory, causing the GM to appoint a committee to study the Work as taught by Brother Stevenson in 1849. After a ten-twelve day review, where the Work was examined in complete detail, the committee agreed upon the Stevenson Work to be presented at the next annual communication to be held in 1869.

In 1869, Grand Master Robert B. Vance announced the appointment of Three Deputy Custodians. This appeared to be one of the first references to Custodians. Appointed were Robert W. Best, PGM for three-years, Samuel H. Roundtree, for two-years and Henry Lee for one-year. Henry Lee was reappointed in 1870.

Finally, in his address to the Annual Communication of the Grand Lodge on January 10, 1893, Grand Master Hezekiah A. Gudger announced that within the past year, in pursuance of permission granted by the Grand Lodge of 1892, Assistant Grand Lecturer, Charles F. Bahnson, prepared a manual adapted to the work of this Grand Jurisdiction. Grand Master Gudger endorsed the manual as submitted and recommended its use by the brethren. As we all know, this manual is still being used today.

As we begin this overview and look back at some of the questions, decisions and opinions of the Board of Custodians over the past one hundred years, I think you will find that this further emphasized the need for a Board whose aim, as described by one Grand Master, “is to systematize the work and to see that the Stevenson work as handed down from sire to son is properly taught”. Also, as the first resolution introduced in 1902 explains, “their first duty shall be to agree as to the correct work and then they may examine and instruct brethren”. I hope this overview provides a clearer understanding of the contributions made to fulfill this mission.

The Board of Custodians...in the beginning:

1902 (the first attempt to form an official Board of Custodians):

At the Annual Communication of the Grand Lodge of Ancient Free and Accepted Masons of North Carolina held in Raleigh, NC on January 14-16, 1902, Brother John Nichols introduced the following resolution, on Wednesday, January 15th which was read, and under the rules, was ordered to lay over until tomorrow for consideration:

Resolved, That the Grand Master of this Grand Lodge be authorized and instructed to appoint three “Custodians of the Work”, who shall be men learned in both the law and Ritual of Freemasonry. These Custodians shall meet not less than four times annum, at such times and places as the Grand Master may direct. Their first duty shall be to agree as to the correct work and then they may examine and instruct brethren who may desire to become Lecturers, and no Mason shall lecture Subordinate Lodges, until they have been regularly commissioned by the Custodians, certifying to their qualifications as competent to teach the work, save and except officers and members of the lodge being lectured, and any other brother instructing a lodge at its request without compensation. Said Lecturers to receive such compensation as may be agreed upon by them and the Subordinate Lodges that may engage their services. The said Custodians shall receive no compensation except their actual expenses while attending the conferences, and such pay to be approved by the Grand Master. Said Custodians shall hold their offices for three years respectively, the term of one expiring each year, the said terms when appointed to be fixed by the Grand Master.

January 16, 1902: The resolution introduced by Brother Nichols on the previous day in regard to the system of work was taken up for consideration. On motion, the resolution was tabled.

1903 (the official beginning of the Board of Custodians):

One again, at the Annual Communication of the Grand Lodge of Ancient Free and Accepted Masons of North Carolina held in Raleigh, NC on January 13-15, 1903, Brother John Nichols again introduced the following resolution on Tuesday evening, January 13th, which was read, and under the rules, was laid over and referred to a special committee, which the Grand Master announced as follows: John Nichols, F. D. Winston, B. S. Royster, B. W. Hatcher and A. B. Andrews, Jr.:

Resolved, That the Grand Master of this Grand Lodge be authorized and instructed to appoint three “Custodians of the Work”, who shall be men learned in both the law and Ritual of Freemasonry. These Custodians shall meet not less than four times annum, at such times and places as the Grand Master may direct. Their first duty shall be to agree as to the correct work and then they may examine and instruct brethren who may desire to become Lecturers, and no Mason shall lecture Subordinate Lodges, until they have been regularly commissioned by the Custodians, certifying to their qualifications as competent to teach the work, save and except officers and members of the lodge being lectured, and any other brother instructing a lodge at its request without compensation. Said Lecturers to receive such compensation as may be agreed upon by them and the Subordinate Lodges that may engage their services. The said Custodians shall receive no compensation except their actual expenses while attending the conferences, and such pay to be approved by the Grand Master. Said Custodians shall hold their offices for three years respectively, the term of one expiring each year, the said terms when appointed to be fixed by the Grand Master. And it shall be the duty of said Custodians to assist the Grand Lecturers in exemplifying the work before the Grand Lodge.

Resolved further, That all laws, resolutions and edicts of the Grand Lodge in conflict with the foregoing be repealed, amended or modified so as to conform to the provisions thereof.

On the following day, January 14, 1903, Brother A. B. Andrews, from the Special Committee on work of the Grand Lodge, made the following report, which was read and under the rules ordered to lay over until tomorrow:

To the Most Worshipful Grand Lodge of North Carolina:

Resolved, That the Grand Master of this Grand Lodge be authorized and instructed to appoint three “Custodians of the Work”, who shall be men learned in both the law and Ritual of Freemasonry. These Custodians shall meet not less than four times annum, at such times and places as the Grand Master may direct. Their first duty shall be to agree as to the correct work and then they may examine and instruct brethren who may desire to become Lecturers, and no Mason shall lecture Subordinate Lodges, until they have been regularly commissioned by the Custodians, certifying to their qualifications as competent to teach the work, save and except officers and members of the lodge being lectured, and any other brother instructing a lodge at its request without compensation. Said Lecturers to receive such compensation as may be agreed upon by them and the Subordinate Lodges that may engage their services. The said Custodians shall receive no compensation except their actual expenses while attending the conferences, and such pay to be approved by the Grand Master. Said Custodians shall hold their offices for three years respectively, the term of one expiring each year, the said terms when appointed to be fixed by the Grand Master. And it shall be the duty of said Custodians to assist the Grand Lecturers in exemplifying the work before the Grand Lodge.

Resolved further, That all laws, resolutions and edicts of the Grand Lodge in conflict with the foregoing be repealed, amended or modified so as to conform to the provisions thereof.

Committee

The next day, January 15, 1903, the report of the Special Committee in regard to the Custodians of the work was then taken up under the rules and after discussion the report of the Committee as read at the evening session was adopted.

Roll of lodges called, **Aye, 285, No, 142.**

As a result of this adoption by the delegates at the 1903 Annual Communication, the Board of Custodians officially began.

Major events in the Board of Custodians History:

For more than one hundred years the Board of Custodians has fulfilled their mission as Custodians of the ritual work for The Grand Lodge of Ancient Free and Accepted Masons North Carolina. In researching more than one hundred Annual Reports of the Board of Custodians, some of the more historical events in my opinion, were as follows:

1903: The Board of Custodians formally began when approved at the Grand Lodge Annual Communication on Jan 15, 1903. It had been proposed at the 1902 Annual Communication but tabled as indicated above until 1903. F. M. Moye (92), PGM, T. B. Womack (40), J. E. Mathews (1) were the first members appointed to the newly formed Board of Custodians by Grand Master H. I. Clark. The tenure of the first terms expired with one expiring at one-year (Brother Womack), one at two-years (Brother Mathews) and one at three-years (PGM Moye).

1904: Grand Master Clark emphasized in his address to the Grand Lodge delegates on January 12, 1904 that; "The intention of the resolution and the aim of the Board is to systematize the work and to see that the Stevenson work as handed down from sire to son is properly taught – a trying ordeal, yet I believe they will accomplish much." John E. Cameron (243) was the first member appointed to replace an expired term. Past Grand Master Frances M. Moye was the Board's first Chairman.

1908: This was the first indication of a degree being conferred during one of the two Board meetings held each year. The Board decided to work with the DDGM's to coordinate the conferring of a degree at their summer meeting, which were typically scheduled to last for 2-3 days and sometimes in conjunction with a District meeting.

1909-1910: While we sometimes think that all parts of our ritual are the same throughout the world, this was proven not to be the case in 1909-1910 when the Board of Custodians on December 6, 1909 was instructed to send a letter to the Grand Secretaries of the fifty other Grand Jurisdictions Lodges in the U.S. inquiring as to how Fellow Crafts and Master Masons were taught to wear their aprons, including reasons for doing so, how long this has been done as such and if any changes had been made on these instructions, when and why? The results of these findings, as reported in the Proceedings of the Grand Lodge of 1910, revealed that only eighteen states wore their aprons the same as in North Carolina. Eleven states and the District of Columbia were different, seven states indicated that the work was not uniform and no reply was received from thirteen states.

1911: At the first Board meeting after the death of Charles F. Bahnson, which was held June 22, 1911, Assistant Grand Lecturer J. W. Rowell laid before the Board the manuscript of a new Manual and requested approval of the Board as a preparatory step to presenting the same at a later date to the Grand Lodge for approval and securing its consent to publish. After thorough consideration the Board unanimously voted to withhold approval because they believed the publication of two manuals would be too costly and confusing in conferring the degrees in using both this manual and the Bahnson Manual that had been previously adopted.

1914: It was not clear as to what type of proficiency exam the Assistant Grand Lecturers had to pass prior to 1914. At the January 18-19, 1914 meeting of the Board, J. W. Alford passed his proficiency exam and was recommended by the Board to be considered for appointment as an Assistant Grand Lecturer. None of the Board members appeared to be certified at that time except the Grand Lecturer and Assistant Grand Lecturers.

1918: The first statewide School of Instruction was held prior to the Grand Lodge Annual Communication and conducted at the Grand Lodge Library on January 15, 1918. The attendance was small but successful.

1919: At the School of Instruction held prior to the Grand Lodge Annual Communication, it was announced by the Board that it was the intention of the Board of Custodians to make this School an annual event. It would be held at the Grand Lodge Library on the Tuesday preceding the Grand Lodge Annual

Communication. This was again stressed over the next two years with the date being confirmed as the third Tuesday of January from 9:00 am until 5:00 pm.

1921: The Board started conferring degrees at their meetings, usually hosted by a lodge. Board meetings at that time were typically three days each with one being held in the summer and the Board's annual meeting being held prior to the Annual Communication in January. They continued conferring degrees until 1931.

1925: Assistant Grand Lecturers grew to nine. In the past there were typically four to five that covered the entire state teaching the ritual. An Education Field Secretary was appointed in 1925 to focus on Masonic Education and assist the Grand Lecturers in coordinating lecture service among other duties.

1927: At the Annual Communication in 1927, a special report was given by the Lecture Service Committee. Some of the suggestions were:

- Assistant Grand Lecturers were required to perform a minimum of 20 weeks of lecture service per year.
- If an Assistant Grand Lecturer performed less than 16 weeks of lecture service in a year, he could not be re-appointed
- No Grand Lecturer could be appointed for the first time unless he had completed high school and a minimum of two years at a Grade "A" college.
- Education Field Secretaries would hold a School of Instruction.
- Master Masons who stood proficiency would receive a card indicating such and would receive one for each section passed.

1931: The Board of Custodians decided not to receive any more applications for proficiency exams for those desiring to become an Assistant Grand Lecturer. The Board also recommended that the Opening and Closing work be returned to the language used prior to 1921. This was also the last time that degrees were conferred at the summer meeting of the Board.

1933: The Annual Grand Lodge Communication moved from the traditional January date to April which continued until 2000 when it was moved again, this time to September. The exception being in 1945 when the Annual Communication was held in November due to a Government ruling that applied to all conventions with an attendance greater than fifty people.

1939: Grand Master J. Edward Allen mentioned a special effort to get more members to stand the proficiency exam before the Board of Custodians.

1940: During the time period of April 15-17, 1940, the first multiple candidates where examined when fifteen candidates passed their proficiency exams.

1941: At a special meeting of the Board of Custodians and the Lecture Service Committee on January 24, 1941 in Charlotte, NC, the proficiency exam similar to what is used today was established. Some of the key decisions made at that meeting:

- Establish and recognize only two classes of certificates, Certified Lecturers and Certified Instructors
- Certificates are to be void unless renewed by examination every two years
- Examinations are to be rigid and to be conducted by not less than three, one to be the Grand Lecturer and two to be Certified Lecturers
- One who teaches a candidate may not examine him
- No examination is to be made unless the applicant is recommended by a Certified Lecturer, as being proficient

At the annual Board meeting held on April 14-15, 1941, ten more brethren passed their proficiency exam including Grand Lecturer Snipes and future Board member Craven Harrington. As of April 17, 1941 the number of Certified Lecturer's had grown to twenty-nine. The first roster of Certified Lecturers was printed

in the Proceedings of the Grand Lodge of 1941 on pages 103 and 104. Also pursuant to the order of the Grand Lodge at the Annual Communication of 1941, the Board prepared an accurate, safe and complete physical standard of the authorized work, later changed to Official Standard of the Work. The Annual Report of the Board of Custodians describing this information can be found on page 77 of the Proceedings of the Grand Lodge of 1942. It fully describes the details of how the first OSW was to be laid out using the present system of letters, with numbers above, and a separate Vocabulary Book. C.P. Separk, C. E. Harrington, S. M. Young, A. F. Patton, H. W. Prince, P. C. Stott and J. F. Marquette prepared the first physical standard. In October 1941, exams were held in Goldsboro, Lumberton, Statesville and Asheville, which were different from the previous location being at the Annual Communication site.

1942: The Grand Lodge delegates at the 1942 Annual Communication adopted Regulation 283, which was described as The Official Standard of the Work and Vocabulary and our first OSW. Details of this regulation can be found on pages 77-79 of the Proceedings of the Grand Lodge of 1942.

1944: On August 22, 1944, the Board met and established and published the rules governing the distribution and use of the OSW and Vocabulary pursuant to Regulation 283, adopted in 1943.

1945: The Grand Lodge Annual Communication was moved to November 6, 1945 on account of certain regulations of the Officer of Defense Transportation of the Government of the United States prohibiting conventions composed of more than fifty persons. Twenty Certified Lecturer's failed to appear for re-examination that year and were given a one-year extension. This was due to many being involved in military and government jobs. At their meeting on November 5th, 1945, prior to the Grand Lodge meeting, the Board recommended that each lodge be provided with five copies of the OSW for their use. The Board also recommended that the re-certification examination be changed from two-years to five-years and the resolution was adopted. The only members of the Board that were Certified Lecturers at that time were the Grand Lecturer and Craven E. Harrington.

1947: A Resolution was presented and adopted that subordinate lodges shall not use any pictures, either by film, lantern slides or otherwise, in conferring or exemplifying the three Symbolic Degrees, other than pictures which illustrate material printed in Bahnson's Manual. The Board was directed to investigate the matter of employment of a full time Grand Lecturer and report their investigation to the 1948 Annual Communication.

1948: As adopted in the CODE of 1948, the Board members were increased to six members in addition to the Grand Master and Grand Lecturer for a total of eight. Of the six regular members, four were required to be Certified Lecturers. Beginning in 1948, two members were appointed each year, each for a three-year term. At this time the Board was required to have its first meeting in June when it would also elect its Chairman and Secretary for the ensuing year. The Board first mentioned the Lodge System of Education (later called the Lodge System of Masonic Education) during their April meeting, even though the Grand Lodge had promulgated it in 1935.

1949: This was significant year of change! On June 11, 1949 the Board met at Wrightsville Beach. The Chairman and Secretary were elected. The Secretary was instructed to have 3900 copies of the Lodge System of Masonic Education printed. Earlier in the year the Grand Lodge, at its annual meeting in May, approved several changes to the ritual, which were approved by the Board at a special meeting on January 14, 1949. These changes covered six subjects. The details of which are described on page 194-196 in the Proceedings of the Grand Lodge of 1949 but briefly cover:

1. The four prescribed questions asked prior to initiation suggesting that the Senior Deacon or some other brother retire and ask the questions. The questions should be delivered from memory and not read.
2. The Master at his discretion shall admit Entered Apprentices or Fellow Crafts into the lodge after labor has been dispensed with for the purpose of hearing the examination of the catechisms to which they are entitled.

3. The minimum requirements for a district or group School of Instruction were described including the five-hour minimum.
4. Words concerning instruction on the apron, (could not be printed in the Proceedings), were presented orally by the Grand Lecturer.
5. The position of the short lecturer on Freemasonry to be made as follows... (could not be printed in the Proceedings) also presented orally by the Grand Lecturer.
6. Details of the procedures for raising more than one candidate... (could not be printed in the Proceedings) also presented orally by the Grand Lecturer.

As a result of these adopted changes, the Secretary was instructed to have the amendments to the OSW printed and distributed. The Grand Lecturer was authorized, as provided in Regulation 35-08 (2), to try out the plan of District Deputy Grand Lecturers in the 10th, 11th, 37th, 40th and 44th Masonic Districts. The duties of the new DDGL's were listed. The Board appointed a special committee to carefully check the OSW for errors and report to the Grand Lodge before the next printing. Bahnson Manuals also required re-printing due to a low quantity. Finally, the subject of the placement and when the Lesser Lights should burn was discussed and a proposed amendment was recommended to the Committee on Masonic Jurisprudence.

1950: In his report to the Grand Lodge at its Annual Communication of 1950, Grand Lecturer Fred C. Kinzie indicated that the Board, on his nomination, appointed the first five District Deputy Grand Lecturers in the 10th, 11th, 37th, 40th and 44th Masonic Districts. The Grand Lecturer recommended to the Board that this system be continued and expanded to cover the entire state. DDGL's began being listed in the Proceedings of the Grand Lodge of 1950. At that time there were twenty-five DDGL's, several of which covered multiple districts. After the exams in April 1950, the number of Certified Lecturers/Instructors totaled 242 brethren consisting of 236 "A" and 6 "B" certifications.

1953: At one of its meetings held on January 10, 1953, the Board of Custodians adopted the following resolution: "It is the desire of the Board of Custodians that exemplification of the Degrees at the annual communication of the Grand lodge be done altogether by Certified Lecturers if possible". At the same meeting the Board unanimously adopted the following rule for government of the Lecture Service, and recommended to the Grand Lodge that it approve the same.

"In all cases in the ritualistic work where the Official Standard of the Work is silent as to any action in floor work, or any other work, no Certified Lecturer or Certified Instructor, or any brother, shall be authorized to insist that his idea of the subject is positively the only way to do that particular thing; he may state "his opinion," but he is not authorized to insist that his way is the only way to do such work." This was approved April 22, 1953 as indicated in the Proceedings of the Grand Lodge of 1953, page 161.

1955: The Board adopted that the Certified Lecturer examinations to be held in each of the five areas across the state, one per year.

1956: The Junior Grand Warden was requested to prepare a form of Certificate of Appointment for DDGL's. His proposed form was adopted at the Board's January 13, 1956 meeting. The first formal outline of the Minimum Requirements for a District or Area School of Instruction was published as part of the Board of Custodians June 8, 1956 meeting. While not clearly indicated as the first, one of the first booklets entitled "Important Information Concerning The Certified Lecturers" was published in 1956.

1958: A Proficiency Code became a requirement of the DDGL's to rate each lodge as to their proficiency.

1962: On March 9, 1962, Aprons, cordons and jewels were provided for the DDGL's and delivered after the Annual Communication of 1962. DDGL's were first appointed in 1950. Pocket cards were also provided by the Grand Lodge Secretary, which indicated their tenure as DDGL. During their September 14, 1962 meeting, the Board authorized a special roster and a Certificate of Special Recognition for Certified Lecturers who have fifteen years or more of consecutive years of service. Past Grand Master James G. Johnston was appointed to select the design for this Certificate. At the same meeting, Chairman Strause also appointed a committee to select a suitable design for forms of Certificates for Class A and B and to use a chain border if possible and to have it printed.

1963: At their March 8, 1963 meeting the Board stated; “To clarify a situation that should not need to be discussed, the Board ordered that the Official Standard of the Work and the Vocabulary shall and must be kept in separate places, and a secretary shall never under any circumstances let the Vocabulary out of his actual possession.” The Certificates for Class A and B Certified Lecturers were approved at the January 11, 1963 meeting. The first Laudamus Certificates were mailed February 25, 1963.

1965: At one of the Board meetings, the Grand Master reported on the cost of printing the roster of the Certified Lecturers and Certified Instructors each year in the Proceedings of the Grand Lodge. The Board unanimously adopted that the roster be printed every five years, however, the roster of Laudamus awards was to be printed in the Proceedings each year.

1966: Several changes to the OSW, as studied and approved by the Board, were explained orally by E. Floyd Dunn at the Annual Communication of the Grand Lodge of 1966 and adopted by the delegates. The delegates also adopted that the Grand Lodge Ritual of Opening and Closing, Calling from Labor to Refreshment, Calling from Refreshment to Labor, Dispensing and Resuming Labor be added to the 1966 version of the OSW.

1967: At their September 8, 1967 meeting, the Board of Custodians agreed that the Grand Lodge Ritual would not be required for the Certified Lecture examination.

1968: Districts were increased from fifty-eight to sixty-five and the number of DDGL’s increased by the same amount. The Board of General Purposes officially adopted the design of the DDGL apron and jewel submitted by Brother Harry Cecil Bagley of Montgomery Lodge No. 426.

1974: At the Board’s June 8, 1973 meeting, The Grand Master approved District Deputy Grand Lecturers being received at official visits and given Grand Honors but not at District Meetings where the Grand Master was present where only the District Deputy Grand Masters would be received.

1979: Rule 8 in the Certified Lecturer Book was changed to read “Neither the Official Standard of the Work nor the Vocabulary shall be used in any lodge while opening, closing, conferring the degrees nor at any time in coaching or instructing candidates.” The Board also clarified that at a School of Instruction, it was decided that in Exemplifying the Second Degree it was only necessary that the portion of the lecture be used to carry out the floor work be required and not the entire lecture.

1984: The first copy of the OSW in Braille was printed. A motion was made and passed to assign set number 1 to Brother Richard Ford and that he be presented a resolution thanking him for his untiring efforts and time in preparing the OSW in Braille. The remaining copies would be kept in the Grand Lodge Office and would be assigned at the approval of the Board.

1991: The Secretary of the Board was instructed to send a letter to all sixty-five DDGL’s advising them that a copy of the Bahnson Manual is not to be presented to or given to any candidate having received less than the Master Mason’s Degree.

1993: The Secretary of the Board was instructed to send a letter to all Lodges, DDGL’s and Certified Lecturers advising them that the new OSW would be available on August 15, 1993 and they should start using upon receipt.

1994: At the Board meeting held on March 11, 1994, Deputy Grand Master Brunk advised the Board that consideration should be given to revising the OSW to incorporate changes and place the material in the supplement into one volume. A motion was made and passed to appoint a committee for this purpose at the September 9, 1994 meeting. A new supplement for the Grand Lodge Officers on opening and closing the Grand Lodge was printed and mailed to each of the Grand Lodge Officers.

1995: The Chairman of the Board appointed a committee to start working on the new OSW at the January meeting. Those appointed were J. Luigi Ammons-Chairman, E. Floyd Dunn and Joe Saunders. The records

of the Certified Lecturers and Board of Custodians were moved from Aberdeen, NC to the Grand Lodge office in Raleigh. The records had been in Aberdeen where E. Floyd Dunn lived when he was Secretary for twenty-two years. Brothers H. V. Massengill and Bob Braswell picked up the records and moved them to Raleigh where they were met by Brothers Joe Saunders and J. Luigi Ammons. The records were safely stored in the basement of the Grand Lodge Office where they remain today. Brother Ammons inventoried the records and supplies. The Board considered adding the Prayers and Charges to the Certified Lecturer examination but after further discussion this was rescinded.

1996: An official Seal press for Board of Custodians documents was requested and granted. At their June 14, 1996 meeting, PGM Bunn T. Phillips called the Grand Master and obtained authorization to get each member of the Board a copy of the Vocabulary Book to use during their tenure as a Board member. This was also necessary for the members to edit the new OSW, which was under a major revision at that time. The Board of General Purposes had originally denied this request.

1998: At their November meeting, the Board approved the change of the School of Instruction attendance requirement from five officers/two members to three officers/four members, with the same total of seven still required.

2000: The Certified Lecturer examinations were moved from September to August as a result of the Annual Communication being permanently moved from April to September. Two Annual Communications were held in 2000. At the April Annual Communication, the delegates defeated a proposal to print the “Red” work in English.

2001: The new revised OSW project, which began in 1994, was completed in 2001. The Board of Custodians unanimously approved the changes and the delegates at the 2001 Annual communication adopted the new OSW. Seminars were held throughout the state to explain the changes. The Districts were changed from sixty-five to forty-one reducing the number of DDGL’s by the same number.

2002: The new revised OSW became available for sale at the 2002 Annual Communication, which incorporated all of the changes approved by the Board and membership at the 2001 Annual Communication. The Board also approved a new CD to be used with the lecturers of the three Symbolic Degrees.

2003: The first Grand Lecturer Emeritus award was presented to Kolen Flack on July 13, 2003. The Board authorized Coaching Certificates for lodges to recognize these brethren who have done so much for our Fraternity. J. Luigi Ammons was recognized for his nine-years as Secretary of the Board, especially for his tireless efforts of transferring the manual records of the Certified Lecturer Program and records of the Board of Custodians into a computer database. A new Vocabulary Book was printed in both numerical and alphabetical order. The Board approved changing the School of Instruction attendance requirement from three officers/four members to three officers/two members, with five now required as a minimum for attendance at each school.

2005: The members of the Board agreed that the booklet *Important Information Concerning the Certified Lecturers* should be published on the web every year, and printed and distributed every third year. The Board also agreed that the section of the booklet dealing with the Schools of Instruction should be simplified and reduced to one page. The annual examinations for Certified Lecturers was changed from five different locations being held in one week to six locations, two each being held on three separate Saturday’s. It was hoped that changing the examinations to Saturday would be more convenient for those brethren who have difficulty getting away from weekday employment.

2006: The first Historical Overview of the Board of Custodians was published and distributed via the Grand Lodge Website. An amendment to the CODE was presented by the Board of Custodians, revised by the Board of Jurisprudence, and approved by the delegates at the 2006 Annual Communication on September 23rd to allow a Certified Lecturer or Instructor with 25 or more years of service to request a waiver from future exams beginning with the 2007 Exams. A roster of all Certified Lecturer Laudamus and Emeritus recipients was published. At their meeting on September 21, 2006, the Board of Custodians adopted updated

guidelines for use by the District Deputy Grand Lecturers in carrying out the lodge education work in their respective districts.

2007: The Board unanimously approved the distribution of the Vocabulary to each District Deputy Grand Lecturer to use during their tenure as DDGL. Even though the Board's power to approve such a measure was challenged, Grand Master W. Berry Rigdon issued an official Opinion in favor of this action. This GM Opinion was presented to the delegates at the Annual Communication held on September 28th and after the vote was taken the Opinion passed. The Board also voted unanimously to reinstate the Lecture Service but at a reduced number of hours due to an apparent decline in the proficiency of the Work. The new Lecture Service would require even number lodges to receive five hours of instruction during even years and the odd number lodges receiving the same during odd years effective in 2008. By a narrow 4-3 vote the Board approved submitting a Resolution at the 2007 Annual Communication to have the Red-letter work printed in English in a separate book. This Resolution came before the delegates on September 29, 2007 and failed once again to pass as it previously had failed in 2000.

2008: A new updated version of the Grand Lodge Officer Ritual was printed and provided to the Grand Lodge officers. The delegates at the Annual Communication approved an amendment to Reg. 29-9.5, which removed the mandatory requirement of two Schools of Instruction per year and gave the Board the flexibility to determine the number of schools per year in conjunction with the mandatory five-hour Lecture Service.

2010: A modification was proposed and adopted to Reg. 29-10.5 to allow a Certified Instructor to conduct a Lecture Service.

2011: Rules governing the Lecture Service were updated indicating that the mandatory five-hour Lecture Service required every other year by lodges be continued indefinitely or until otherwise indicated. The rules governing the OSW were also updated. This modification now indicates that it is preferred that the OSW not be used when coaching candidates which no longer forbids its use. The Board still strongly prefers it not be used unless absolutely necessary.

2012: The price of the OSW was increased from \$25.00 to \$30.00 as approved by the Board of Custodians and the Board of General Purposes. In addition, both of these boards also increased the penalty for losing a vocabulary book from \$25.00 to \$100.00 and any other penalty as allowed by the Code or imposed by the Grand Master.

2014: A modification was proposed and adopted to add Reg. 29-11.4 to allow the Board of Custodians the authority, if requested and determined to be in the best interest of the craft, to implement proficiency exams to be conducted within the districts on other groups/parts of the ritual and upon satisfactory completion the authority to also issue associated proficiency certificates as it may determine appropriate, i.e. coaches, chaplains, etc.

2015: A Vocabulary mobile application titled Hiram's Whisper was approved by the Board of Custodians and Board of General Purposes and made available for purchase to any North Carolina Mason in good standing. This completed a project first approved by the Board of Custodians on July 13, 2007 who at that time was looking to develop an on-line web based secured site of an electronic version of the Vocabulary. Technology available in 2015 provided an even more secure application than previously thought possible.

As in previous printings of this overview, there were many more important discussions and decisions made by the Board of Custodians over the last one hundred plus years that were not included in my list of major events as identified in these early publications. These should not be interpreted as unimportant because the results of which have impacted many of our lodges. Several were common subjects that were discussed each year and required some type of action by the Board. One common subject discussed quite often was the Lecture Service and the time required for each lodge to have this completed. This varied from four years to two years and later appeared, due to cost, was required only if determined necessary or if a lodge did not meet the minimum School of Instruction requirements. In 2007 the Lecture Service was reinstated as a

mandatory requirement every other year for a reduced amount of time. In conjunction with this change the number of Schools of Instruction was reduced to one per year. In 2010 this five-hour mandatory Lecture Service requirement every other year and single School of Instruction per year was extended indefinitely until determined otherwise.

Over this same time period, the Board has ruled on many proposed changes or individual interpretations of the Ritual, approval of costumes for the Second Section of the Master Masons Degree, recommended clarifications concerning the unwritten portion of our Work and annual support of the Lodge System of Masonic Education and most recent Program for Progress. One of the main responsibilities for the Board of Custodians continues to be the promotion of the Certified Lecturer Program and the yearly examinations. Experiencing a similar decline in the number of Certified Lecturer's as our fraternity has experienced in membership over the past several years, 2013 yielded the sixth positive increase since 2002, however in 2012 due to a larger number of deaths we were only able to maintain the same number as experienced in 2011.

In addition to the many events that have been listed in this overview, additional information is also provided which lists the names of those that have served on the Board of Custodians since its inception in 1902, many of which spent many years of service, including several Past Grand Masters. Details of this information can be found in the following pages. Also included in this printing is a list of the number of Certified Lecturers and Instructors by year since its inception in 1941 and a complete list of past recipients of the Certified Laudamus and Certified Emeritus Award. On January 18, 2008 a complete list of the history of those Certified Lecturers serving as District Deputy Grand Lecturers since 1950 was developed and included in this publication. Finally, in 2010, Certified Lecturers, W.: James Kelly Hooper and W.: Willie Parker Goodwin achieved a milestone never before achieved by both completing their 60th year as a Certified Lecturer. Unfortunately, Brother Goodwin passed away on December 10, 2010. Brother Hooper however did complete his 62nd year in 2012 before passing in early 2013.

Closing Remarks:

I hope you have found this 11th Printing of the updated overview again both educational and interesting, especially for those brethren who have been chosen as a member of this Board by one of the many Grand Masters of Masons in North Carolina. A special thanks goes out to all of the Certified Lecturers and Instructors, both past and present, for their many years of dedication to the Certified Lecturer Program.

I am also deeply grateful to M.: W.: Lewis R. Ledford, Grand Master - 2011 for allowing me to serve as his Grand Lecturer for 2011 and to M.: W.: Robert E. Gresham, Jr., Grand Master - 2012 for appointing me as the Junior Grand Steward for 2012.

Finally, I would like to express my sincere gratitude for the board allowing for me to serve seven years as the twelfth secretary ever to be elected to serve in this position and for a total of nine years as a member of this board as my tenure came to an end on December 6th, 2014. It has been a great pleasure to serve the many brethren across our grand jurisdiction and I thank each of them for their continued support.

Any corrections or suggested additions should be forwarded to the author of this document for future revisions.

Past Grand Masters who have served on the Board of Custodians:

Several members of the Board of Custodians were also later elected as Grand Master of Masons in North Carolina. A few of these distinguished Brethren also served on the Board after serving as Grand Master. Most notably were Past Grand Masters, Leon Cash, James E. Shipman, and Charles B. Newcomb all of whom served this Board multiple times and for many years also served as either Chairman or Secretary.

Special Recognition:

Prior to the formation of the Board of Custodians in 1903, several Brethren were commissioned as Grand Lecturers and Assistant Grand Lecturers. The term Grand Lecturer was used to recognize many different Lecturers during 1836-1903 time periods.

Most Worshipful Levi L. Stevenson served as Grand Master of Virginia from 1836-37 but also served as a Grand Lecturer for the Grand Lodge of North Carolina from 1836 to his death in 1873. It also listed him as Grand Lecturer of Virginia during 1828 to 1835 and again from 1845 until 1873. The Stevenson work was the ritual work originally adopted in 1849 and used by our Grand Jurisdiction until our first OSW was established in 1942. His work was derived from Thomas Smith Webb whose work was officially adopted at the Baltimore Convention of 1843.

Benjamin W. Hatcher served as a Lecturer from 1869 until his death on July 1, 1907, having served in one of these roles for thirty-eight consecutive years, including the main Grand Lecturer for many years. Some articles date his service as a Grand Lecturer to as early as 1860. E. J. Bowen who was referred to as one of the first Grand Lecturers and commissioned by the Grand Master in 1868, instructed Benjamin W. Hatcher in the ritual work. W.: Benjamin W. Hatcher was a member of Archer Lodge No. 165, Clayton, NC.

Charles F. Bahnson, author of the Bahnson Manual, served as one of the first five appointed and commissioned as an Assistant Grand Lecturer and later as served as Grand Lecturer from 1908 until his death on February 16, 1911. He served as total of 20 years as a Lecturer. W.: Charles F. Bahnson began his Masonic career at Mocksville Lodge No. 134 in 1866 but transferred to Farmington Lodge No. 265, Farmington, NC when it was established in 1867.

Charles F. Bahnson

For the first fifty years, beginning in 1903, seven brethren served a large portion of their adult lives as members of the Board, either as a member, Chairman, Secretary or Grand Lecturer. Most notably were Samuel N. Boyce, Leon Cash, Charles B. Newcomb, James E. Shipman, John E. Cameron, E. Floyd Dunn and Robert F. Edwards. Others have served multiple years; however, the trend has shifted to less brethren serving twenty to thirty years as was common during a good portion of the twentieth century.

Those who served for at least twenty years are as follows:

Samuel N. Boyce served on the Board for thirty-six consecutive years, the first twenty-two years as a member and his last fourteen years as Chairman. W.: Samuel N. Boyce was a member of Gastonia Lodge No. 369, Gastonia, NC.

PGM Leon Cash served on the Board from 1905 until his election to Grand Master in 1925 and then immediately began serving again after his year as Grand Master. He also served as Chairman for one year and Secretary for nineteen years. He served as Grand Lecturer from 1933 until his death in 1937. He was the only member to hold the positions of Chairman, Secretary and Grand Lecturer. M.: W.: Leon Cash was a member of Winston Lodge No. 167, Winston-Salem, NC.

PGM Charles B. Newcomb served as Secretary of the Board for twenty-five years beginning immediately after serving as Grand Master. He served as Secretary for ten years prior to being elected Grand Master in 1935. M.: W.: Charles B. Newcomb was a member of St. John's Lodge No. 1, Wilmington, NC.

PGM James E. Shipman served on the Board for twenty-eight years, thirteen as Chairman and five as Secretary. M.: W.: James E. Shipman was a member of Kedron Lodge No. 387, Hendersonville, NC.

E. Floyd Dunn served on the Board for twenty-three years, twenty-two as Secretary. He also served three years as Grand Lecturer from 1964-1967. On April 7, 1995 he submitted his last minutes as Secretary of the Board and expressed "it had been a labor of love". W.: E. Floyd Dunn was a member of Roman Eagle Lodge No. 550, Aberdeen, NC.

PGM J. Earl Watson served on the Board for twenty-one years, ten as Chairman of which seven were after serving as Grand Master in 1977. M.: W.: J. Earl Watson was a member of Renfro Lodge No. 691, Mount Airy, NC.

Robert F. Edwards served as Grand Lecturer for twenty-two consecutive years beginning in 1911 by filling the unexpired term of Charles F. Bahnson after his death. W.: Robert F. Edwards was a member of Healing Springs Lodge No. 467, later named Crumpler Lodge No. 467, Crumpler, NC.

Other Special Recognitions:

It is not my intention to discount the many contributions that many of the Board members have made over the years. Three additional names are also deserving of special recognition, based on length of service or the special service they provided to the Board of Custodians, the impact of which will last for many years.

Kolen Flack served on the Board several times. Over a period spanning nearly thirty years, he served as a Board member for twelve years and as Grand Lecturer from 1978-1981. W.: Kolen Flack was a member of two different lodges while serving on the Board. The first was Oconee No. 427, Bryson City, NC and the second is Western Star No. 91, Rutherfordton, NC where he is currently a member. He received the first Grand Lecturer Emeritus award in 2003. On April 29, 2008 Kolen received his fifty-year award as a Certified Lecturer.

J. Luigi Ammons served, as Secretary of the Board for nine years but one of his greatest contributions was to convert all of the manual records of the Certified Lecturer program and Board records into to a computer database. This lengthy effort will benefit all future Board of Custodian Secretaries in their management of the annual examination and other tasks related to this important program. W.: J. Luigi Ammons is currently a member of Millbrook Lodge No. 97, Millbrook, NC and was the Grand Lecturer for 2012.

Dalton W. Mayo served as both Chairman and Secretary of the Board of Custodians during his six-year tenure on the Board of Custodians including serving one additional year as Secretary as a non-voting Board member. M.: W.: Dalton W. Mayo is currently a member of Hiram Lodge No. 98 and the Grand Master of Masons in North Carolina for 2014.

Note: Information obtained from the Proceedings of the Grand Lodge of Ancient Free and Accepted Masons of NC

Special Notes on Board of Custodians appointments:

- * Indicates an appointment to fill an unexpired term.
- Followed the same format as the Proceedings of the Grand Lodge, where the numbers in parentheses represent the Lodge Number where each brother was a member at the time he held a position on the Board of Custodians.
- John E. Cameron (243), Leon Cash (167) and Sam N. Boyce (369) served from 1905 until 1914 with no clear record of being reappointed at the end of their three-year term. They were each listed in the Grand Lodge Proceedings during this period without an expiration date. It was recommended by Grand Master, Walter S. Liddell, in his retiring address to the Annual Communication in 1906 that they should continue to serve as long as they would be willingly. This appeared to continue until 1915 when three-year appointments began again. John E. Cameron again being the first appointed to fill an expired term. Since this term began in January 1915 at the Annual Communication, this first re-appointed term was for 1915-16, 1916-17 and 1917-18.
- The Secretary of the Board of Custodians was not clearly defined in the Grand Lodge Proceedings for some of the years from 1903 until 1914 but it is fairly certain from other documents that Leon Cash served in this position.

Note: Information obtained from the Proceedings of the Grand Lodge of Ancient Free and Accepted Masons of NC and Board of Custodians Annual Reports

Special Notes:

- All information listed above came from the various minutes of the Board of Custodians that were available through the Proceedings of the Grand Lodge of NC. There may be some cases where a name was unintentionally omitted from some of these reports and will be added to this list upon notification of such.
- The Board of Custodians authorized a special Roster for Certified Lecturer Laudamus Award at their meeting on September 14, 1962 to recognize fifteen consecutive years as a Class "A" Certified Lecturer. The first certificates were mailed on February 25, 1963. It appears that this recognition was not added to the Code until REG. 35-11.3 was added and became effective on July 31, 1974.
- At their meeting on April 15, 2005, the Board of Custodians revised the requirements for qualifying for the Certified Lecturer Laudamus Award to be changed from the previously required 15 consecutive years of service to that of 15 years total.
- The Board of Custodians first authorized the Certified Lecturer Emeritus Award at their June 14, 1969 meeting.
- Dates listed from 1973 through 2006 are the dates the Board of Custodians approved the awards to be granted and were obtained from their minutes as indicated in the Proceedings of the Grand Lodge of Ancient Free and Accepted Masons of NC.
- Dates from 1962 through 1972 are as listed in the Roster of Awards of the Laudamus Certificate (established 1962) located in the Annual Proceedings, however, no records are available for 1968 since the same information for 1967 was listed again under the year 1968. Also, there was no mention in any of the 1968 minutes of the Board discussing the Laudamus Award.
- The Lodge Number listed for each of the Brethren was obtained from various sources of the "Important Information Concerning the Certified Lecturers" booklet and may not reflect the exact Lodge Number at the time the award was granted for years 1963 through 1995 if membership was transferred during that period.

- Some Brothers received their Certified Lecturer Emeritus Award close to the same time as the Laudamus Award. This was most likely caused by the amount of experience already obtained when these awards were implemented.
- In accordance with Regulation 29-7(5), revised and adopted at the Annual Communication on September 23, 2006 and effective January 1, 2007, Certified Lecturers with 25 or more years of service were given the option to no longer take the exam, if requested, and would remain an active Certified Lecturer. This could impact the number of future requests for Emeritus Status.

Special Notes for Certified Lecturer and Certified Instructor History:

- For the first year occurring in 1941, exams were conducted in April and in October. Between 1942 and 1954, exams were sometimes conducted in both the Spring and Fall and at other times only conducted one time during the year.
- Beginning with the exams of September 1955, five locations were used and identified as Areas I, II, II, IV and V. Exams were conducted on Monday through Friday. This process continued until 2005 when the exams were changed to be conducted on Saturday. Under this present schedule, six locations are used throughout the state. Exams are conducted at two different locations each week and held on three consecutive weeks during the month of August beginning with the second Saturday of the month.
- Due to the timing of the printing of the Proceedings of the Grand Lodge of Ancient Free and Accepted Masons of NC and the Booklet “Important Information Concerning the Certified Lecturers”, the totals listed separately in each book sometimes varied by a small amount and were sometimes were not listed at all. If listed in both publications, the primary source used for this summary was the Booklet. In cases where they were not listed in the Proceedings of the Grand lodge or a Booklet was not printed for that specific year, the totals listed are an estimate considering the two sources and identified by an *.

Note: Information obtained from the Proceedings of the Grand Lodge of Ancient Free and Accepted Masons of NC

Special Notes:

- The names of each DDGL listed came from the Proceedings of the Grand Lodge of Ancient Free and Accepted Masons of NC except for 1982-83, which was not listed correctly in the 1982 Proceedings. For 1982-83 only those confirmed to have served are listed and were confirmed from those listed as having attended the April 1983 Annual Communication. Those not known are indicated in those years with a (?).
- The same name could be abbreviated differently in the various locations since it sometimes varied in the Proceedings from listing to listing. An attempt was made to be as consistent as possible so the names could be slightly different than actually listed in the actual Proceedings. Full names were used if available and space allowed.
- No records are available at this time to clearly determine any mid-year substitutions to fill unexpired terms.
- Lodge numbers were listed as indicated in the Proceedings and the various booklets entitled IMPORTANT INFORMATION CONCERNING THE CERTIFIED LECTURERS. Where discrepancies existed, a best effort was made to research and establish the correct number. In some cases, it is clear that the person listed most likely changed membership.
- In his report to the Grand Lodge at its Annual Communication of 1950, Grand Lecturer Fred C. Kinzie indicated that the Board, on his nomination, appointed the first five District Deputy Grand Lecturers in the 10th, 11th, 37th, 40th and 44th Masonic Districts. The Grand Lecturer recommended to the Board that this system be continued and expanded to cover the entire state. DDGL's began being listed in the Proceedings of the Grand Lodge of 1950. At that time there were twenty-five DDGL's, several of which covered multiple districts.
- District 4A became District 45 in 1954-1955
- Districts expanded from 45 to 51 in 1955
- Districts expanded from 51 to 56 in 1956
- Districts expanded from 56 to 58 in 1958
- Districts expanded from 58 to 65 in 1968
- Districts reduced from 65 to 41 in 2001
- Prior to the DDGL system, which began in 1950 there were Assistant Grand Lecturers formally listed from 1906 until 1948. The number ranged, depending on years, from four to ten located throughout the state. J.W. Patton served the most years as an Assistant Grand Lecturer serving a total of 37 years. Reference was made to these positions in the late 1800's but no formal list was printed in the Grand Lodge proceedings. Charles F. Bahnson was an Assistant GL when he assembled the manual, which bears his name.

PROCEEDINGS OF THE

Bro. John Nichols introduced the following resolution, which was read, and under the rules, was ordered to lay over until tomorrow for consideration :

Resolved, That the Grand Master of this Grand Lodge be authorized and instructed to appoint three "Custodians of the Work," who shall be men learned in both the law and Ritual of Freemasonry. These Custodians shall meet not less than four times per annum, at such times and places as the Grand Master may direct. Their first duty shall be to agree as to the correct work and then they may examine and instruct brethren who may desire to become Lecturers, and no Mason shall lecture Subordinate Lodges, until they have been regularly commissioned by the Custodians, certifying to their qualifications as competent to teach the work, save and except officers and members of the lodge being lectured, and any other brother instructing a lodge at its request without compensation. Said Lecturers to receive such compensation as may be agreed upon by them and the Subordinate Lodges that may engage their services. The said Custodians shall receive no compensation except their actual expenses while attending the conferences, and such pay to be approved by the Grand Master. Said Custodians shall hold their offices for three years respectively, the term of one expiring each year, the said terms when appointed to be fixed by the Grand Master.

The resolution introduced by Brother Nichols on the previous day in regard to the system of work was taken up for consideration. On motion, the resolution was tabled.

1903 Proceedings:

Pages 57 and 58, January 14, 1903, Morning Session:

Bro. John Nichols introduced the following resolution, which was read and under the rules was laid over and referred to a special committee, which the Grand Master announced as follows : John Nichols, F. D. Winston, B. S. Royster, B. W. Hatcher and A. B. Andrews, Jr. :

Resolved, That the Grand Master of this Grand Lodge be authorized and instructed to appoint three "Custodians of the Work," who shall be men learned in both the law and ritual of Freemasonry. These Custodians shall meet not less than four times per annum, at such times and places as the Grand Master may direct. Their first duty shall be to decide as to the correct work and then they may examine and instruct brethren who may desire to become Lecturers, and no Mason shall lecture Subordinate Lodges until they have been regularly recommended by the Custodians, certifying to their qualifications as competent to teach the work, save and except officers and members of the lodge being lectured, (and any other brother instructing a lodge at its request without compensation). Said Lecturers to receive such compensation as may be agreed upon by them and the Subordinate Lodges that may engage their services. The said Custodians shall receive no compensation except their actual expenses while attending the conferences, and such pay to be approved by the Grand Master. Said Custodians shall hold their offices for three years respectively, the term of one expiring each year, the said terms when appointed to be fixed by the Grand Master. And it shall be the duty of said Custodians to assist the Grand Lecturers in exemplifying the work before the Grand Lodge.

Resolved further, That all laws, resolutions and edicts of the Grand Lodge in conflict with the foregoing be repealed, amended or modified so as to conform to the provisions thereof.

Bro. A. B. Andrews, from the Special Committee on work of the Grand Lodge, made the following report, which was read and under the rules ordered to lay over until tomorrow:

To the Most Worshipful Grand Lodge of North Carolina:

Resolved, That the Grand Master be authorized and instructed to appoint three "Custodians of the Work," who shall be brethren learned in both the law and ritual of Freemasonry. These Custodians shall annually meet in Raleigh, N. C., on Monday preceding the Annual Communication of the Grand Lodge, and at such other times and places as the Grand Master may order. Their duty shall be to preserve the work as defined in Article XII, Section 3, of the Masonic Code of 1897, and they may examine and instruct all brethren desirous of becoming Lecturers, who present certificates of proficiency signed by the Grand Lecturer or one of his assistants. No Mason shall lecture a Subordinate Lodge until he shall be recommended to the Grand Master by the Custodians, certifying to his qualifications to teach the work; provided, however, this shall not apply to instruction of a lodge by any of its own members, or to gratuitous instruction by a visiting brother. Said Lecturers shall receive such compensation as may be agreed upon by them and the Subordinate Lodges that may en-

gage their services. The said Custodians shall receive as compensation their actual expenses while attending the conferences, such pay to be approved by the Grand Master.

The first Custodians shall be appointed for terms of one, two and three years, respectively, and upon the expiration of their terms of office their successors shall be appointed for a full term of three years. In case of a vacancy by death or resignation, the successor shall be appointed to fill out the unexpired term of said Custodian.

It shall be the duty of the said Custodians to assist the Grand Lecturers in exemplifying the work before the Grand Lodge.

Resolved further, That all laws, resolutions and edicts of the Grand Lodge in conflict with the foregoing be repealed, amended or modified, so as to conform to the provisions hereof.
